5. Choose the first Restoration you will be entering. First select the Group that your restoration is in, then select the specific Product under the “Choose a Product” drop-down menu.

The screenshot shows the 'Restorations' form with the following elements:

- Group:** Radio buttons for CROWN & BRIDGE (selected), PROVISIONALS, RCAD CEMENT RETAINED IMPLANTS, RCAD SCREW RETAINED IMPLANTS, OEM CEMENT RETAINED IMPLANTS, COMPLETE DENTURES/PARTIALS, TRY IN - DENTURES/PARTIALS, and FINISH - DENTURES/PARTIALS.
- Product:** A dropdown menu labeled 'Choose a Product' is open, showing a list of options: CERA-LEUX HSZ, MILLED FULL GOLD CROWN - NOBLE, CERA-LEUX EMAX PLUS, CERA-LEUX HSZ PLUS (highlighted in blue), CERA-LEUX EMAX, and CERA-LEUX HTZ PLUS.
- Documents:** 'No Documents' with a '+ Add' button.
- Enclosures:** 'No Enclosures' with a '+ Add' button.
- Shipping:** Radio buttons for Today (selected), Tomorrow, Other, and Not Applicable i.e. digital impression *.

6. Select the teeth that will be covered in the current restoration. Click the tooth icon to expand the viewing window as seen below to select your teeth.

The screenshot shows the 'Restorations' form with the following elements:

- Group:** Radio buttons for CROWN & BRIDGE (selected), PROVISIONALS, RCAD CEMENT RETAINED IMPLANTS, RCAD SCREW RETAINED IMPLANTS, and OEM CEMENT RETAINED IMPLANTS.
- Product:** CERA-LEUX HSZ PLUS (selected).
- Teeth:** A selection interface showing a grid of teeth. The top row is labeled 'Upper Right', 'Upper Arch', and 'Upper Left'. The bottom row is labeled 'Lower Right', 'Lower Arch', and 'Lower Left'. The teeth are numbered 1 through 32. A small tooth icon is highlighted with an orange box, indicating it is selected.

7. Fill in all required information, as indicated with the *. Add any necessary restoration notes in the box labeled Notes. Once this is done, click on the “OK” button at the bottom of the restoration information screen.

Shade: A2 *

+ Add Edit

10. Choose the second restoration you will be entering. Once complete select “OK.”

11. Continue adding restorations individually until all restorations needed for the case are added. To edit restorations previously added select the “Edit” button. To delete restorations, select the Garbage Bin button.

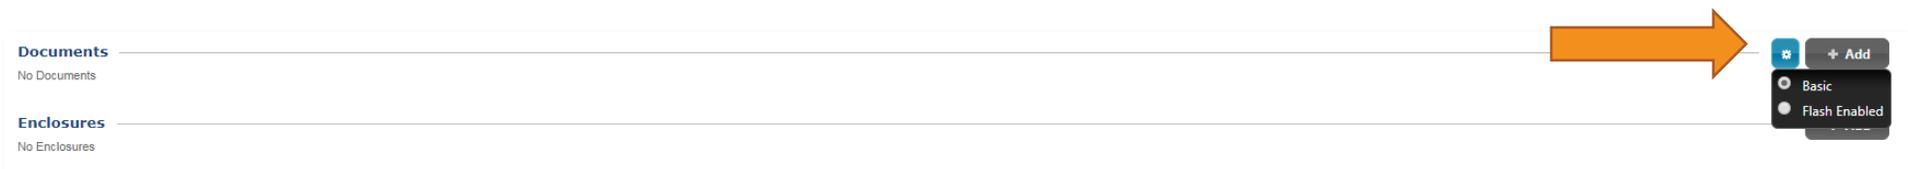

Select to delete restoration.

12. Review the information for each restoration that was entered. Make sure everything is correct. After the case is submitted, it cannot be edited on the doctor facing side of the My Ragle online portal.

13. If there are any images or .STL files that need to be uploaded, enter them under the “Documents” field. Images can be added later, if needed.

14. If your computer is not Flashed Enabled you will need to change the settings to basic. To this select this button and then select Basic.

15. Please indicate any digital or physical Case Enclosures you are sending that pertain to your case. First select the “Add” button and then indicating the quantity of each enclosure in the Pop-Out screen. Select “OK” when finished. Your selections will appear under the Enclosure section.

16. Any overall Notes for the case should be entered in this section.

Notes

Additional case notes can be typed in this section.

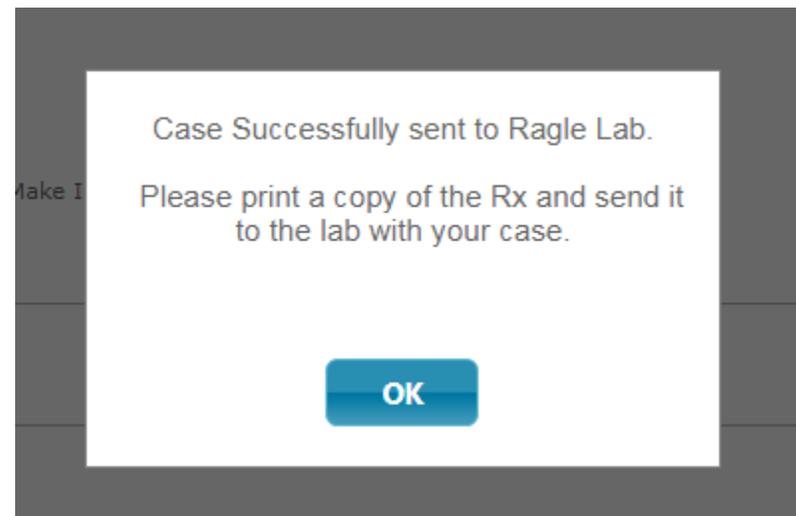

17. Accept the terms and conditions and select "Submit Case."

I agree to the [terms and conditions](#) of sending this case to the lab.

Submit Case

18. Once Submitted, you will receive a notification to print a copy of your Rx and send it with the case materials.

19. Select “OK” and select “Print Rx” at the bottom of the page to generate a copy of your Rx. Please print a copy and include with any physical case materials being shipped.

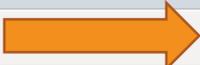

I agree to the [terms and conditions](#) of sending this case to the lab.

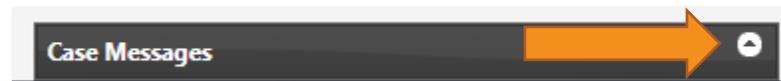

Case Submission Complete

Case Messages

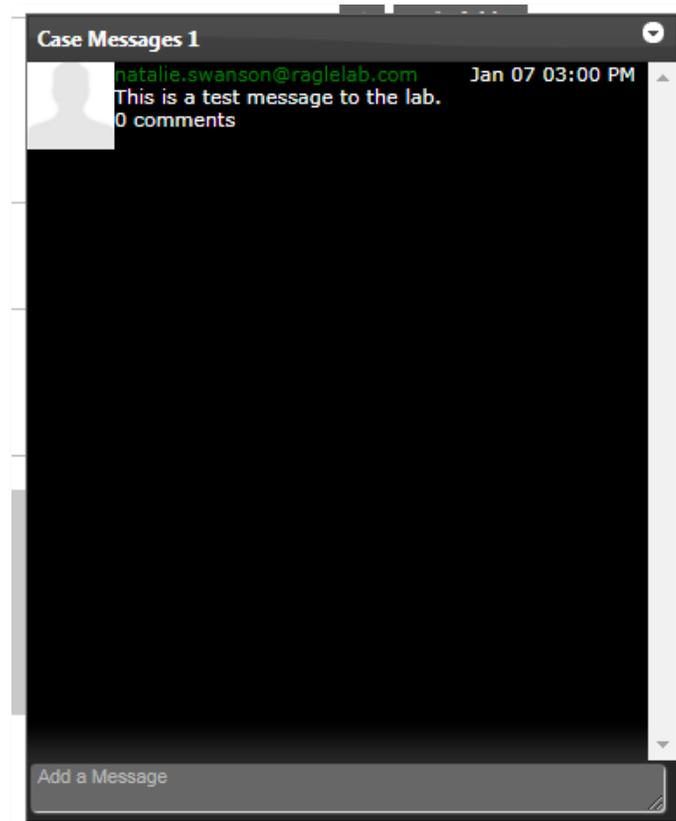

20. You can communicate with the lab regarding your case with Case Messages. You can do this by selecting “Edit” by the desired case on your My Cases list on the home page.

Patient	Case # ▾	Status	Send	Return
LAST, FIRST	CN091664 Stage 1	 Submitted	Fri Jan 04 2019	 Edit

22. Once here, select the Up Arrow next to “Case Messages” in the bottom right corner of the screen.

- 23.** This will open the Case Messages window. You can then type your message to the lab in the gray chat box and hit Enter to submit your message. The lab will be notified of your message.

- 24.** From this window you can add another message or a comment on a previous message. The lab can respond with a follow up message or a comment on a message as well.
